National Instruments NIWeek Investor Conference Webcast on Aug. 3

Live Webcast Available on the Investor Relations Section of the Company's Website

AUSTIN, Texas, Aug. 2, 2010 /PRNewswire via COMTEX News Network/ -- National Instruments (Nasdaq: NATI) will host its Annual Investor Conference in Austin, Texas, in conjunction with NIWeek, the company's annual customer and premier industry event for graphical system design. NIWeek is a key event for launching new products, and provides a forum for customers, members of the press, strategic partners and exhibitors to learn about and discuss the latest trends and technologies in test, control and design.

The event is scheduled to begin on August 3 at 10:30 a.m. CT. To listen to the live webcast, please visit www.ni.com/nati.

About National Instruments

National Instruments (www.ni.com) is transforming the way engineers and scientists design, prototype and deploy systems for measurement, automation and embedded applications. NI empowers customers with off-the-shelf software such as NI LabVIEW and modular cost-effective hardware, and sells to a broad base of more than 30,000 different companies worldwide, with no one customer representing more than 3 percent of revenue and no one industry representing more than 15 percent of revenue. Headquartered in Austin, Texas, NI has more than 5,000 employees and direct operations in more than 40 countries. For the past 10 years, FORTUNE magazine has named NI one of the 100 best companies to work for in America. Readers can obtain investment information from the company's investor relations department by calling (512) 683-5090, e-mailing nati@ni.com or visiting www.ni.com/nati. (NATI-G)
